Gougler Avenue

River Street

Cuyahoga River

CSX Railroad

ABC Railroad

North Water Street

South Water Street

Location on Map
A. Bike trail connection - Stow Street to trail by Walgreens
B. Preserve & note ruins here
F. Splash pad
G. Two-way, bike lane, one lane is safer, connect around stairs
I. Small park
M. Splash pad/Do we need these parking spaces
N. Park improvements
O. Possible splash pad location
P. Splash pad?
Q. Lights on bridge
R. Bike connector between Crain Avenue trail head and Tannery Park.
S. Lookup "Redwood sky walk at Sequoia park zoo" an elevated observation trail that threads along the river would be very unique. Also "Trees of Mystery" sky walk
T. Civic graffiti wall. Invite local artists to express themselves. In same spirit of the KSU rock that gets repainted, anywhere it could tuck in.
U. Passive parks
V. Bridge (walking/biking) along the river, with paths to restaurants! More parking (free) along the way!
W. Davey Drill site - pickle ball courts, Haymaker Farmers Market new location?
Y. City Rec Site/Outdoor music performance a la Hometown Plaza
Z. Replace bridge, add wide pedestrian & bike pathways to connect park to downtown.
CC. Splash pad near restaurants in DORA area.
DD. Handicap spaces, hard surfaces for vendors, electric outlets, restrooms, stage for live music
JJ. Love the bridge lighting idea
OO. Bikeway
QQ. Take down loading zone of mill/Splash pad
RR. Remove loading part (mill) and have patio with great view, splash pad?
VV. Showcase our beautiful river!
YY. Pocket park? (too many car accidents, tie in neighborhood
a. Connect walkway directly to Main & Crain. Support biz access (bike shop, brewery, for sale property)
b. ebike charging station. Bike riders love to spend money in small bizes (connect riders to bike shop/downtown)
f. Connect the bike path to Haymaker Farmers Market footprint
k. Stage for music at market, under bridge
o. Turn into a park with splash pad/games?
p. Splash pad
r. Continue bike trail under bridge then through a tunnel where the dam wall is and continue through
s. Fill in pool behind dam and then dredge island to straighten river through it.
t. Turn the space behind the dam wall after it is filled into an amphitheater
u. Create learning kiosks for community, think river day any day
z. Skate park? Dirty Skate opposite
aa. Vacant N Water lot - identify a location for concrete table tennis, chess tables (like Bryant Park) So that there are active reasons to come downtown.
ff. Indoor public spaces, restrooms
jj. East river bike trail
oo. Sitting/park space
Aa. Fill in. Make it as natural as possible, ice rink
Bb. Light the bridge
Cc. Zipline on river
Dd. Tree house w/views & wildlife signage
Ff. River walk
Ii. Rope bridge
Jj. 266 N Water pocket park (concert space & stairs)
Ll. Activate space.

Locations Not Shown on Map
1. Ferris wheel
2. We would love to have a splash pad downtown
24. Splash pad (the way Georgetown DC uses it)
33. Missing the skating rink
35. Find ways to use the river to cool off (general comment)
71. I love the idea of a splash pad
72. Major canoe /kayak livery, cash in on the gorge dam removal

Location on Map
4. Amphitheater, Additional Parking
5. Connection to Library
6. Cuyahoga River Overlook/Mist Fountain
7. Light the bridge up
8. Overlook, Open views of the river
9. Bridge to go across or down
10. Projection art based on themes to downtown
12. Deck by trail, Speakeasy
14. Better trail connection, real bike lane?
15. Performance space at Farmers Market
19. Tiered seating along the River
20. Recruit a fancy sauna company to build a sauna spa next to the river
26. Mist fountain
27. River overlook
31. Improve Dan Smith park
32. Rethink Dan Smith park amenities
34. Swimming hole
36. New waterfall pump and uplighting of waterfall
37. Pro dam removal, mural, return of fish
41. Whitewater park, amphitheater seating
42. Public bathrooms!!! (nice not porta potties)
44. Giant climbing wall
45. Artist colony
46. Open space
47. More bird houses with benches to watch
48. More porch swings
50. River overlook
51. More murals
52. Wild flower parks with butterflies
53. Swings by the river
54. More pocket parks
56. Crochet court
58. Kayak and canoe rentals, inner tube rentals
60. Urban dog park (with turf?)
62. Whitewater with tubing park,
64. Dog park
66. Mist fountain
67. Bridge lighting, all area
68. Plexiglas walk out, pedestrian bridge, tall swings that glide over the river, cafe seating, waterfall rejuvenation, keep the bridge arch
70. Boccie court
75. Dredge/clean out below falls
76. Redo trail
77. Amphitheater
78. Lighting
80. Remove brush, splash pad
83. Concrete table game park, chess/table tennis, vacant lot next o Madelina's
86. Use park land, possible bridge to get to it.

LIGHT MAIN ST BRIDGE

SPLASH PADS

Preferred Route

Alternate Route

Route for Either of the Above Routes

(not to scale)
