PLANNING FOR THE COMMUNITY'S FUTURE

Infrastructure

Location on Map
A. Bike trail connection - Stow Street to trail by Walgreens
C. Stripe Farmers Market area for parking during the week. Dirt area is a free for all.
D. Pave the Farmers Market
E. Tree maintenance, removal of invasive species
G. Two-way, bike lane, one lane is safer, connect around stairs
H. Fix sewers and pave! Please!
J. Love the brick, hate the bouncing. Lay new modern brick with proper base layer
K. Love the brick
L. Close permanently
M. Splash pad/Do we need these parking spaces
W. Davey Drill site - pickle ball courts, Haymaker Farmers Market new location?
X. Additional parking for Farmers Market
Z. Replace bridge, add wide pedestrian & bike pathways to connect park to downtown.
AA. Van accessible paved parking spots
BB. Permanent Market Facility, canopy for vendors
DD. Handicap spaces, hard surfaces for vendors, electric outlets, restrooms, stage for live music
EE. Sinks! Restrooms! Sinks! Sinks!
FF. Keep the brick
II. Consider closing Franklin permanently or improve sidewalk
MM. PS shovel the snow everywhere (bank & mill properties)
NN. Van accessible ADA parking downtown
OO. Bikeway
SS. Public ownership of right-of-way
TT. Remove pipe restore river
WW. City buys Hutch and converts that corner to parking & other public use
XX. More parking for new commercial. Dead end (Crain). Accidents
ZZ. Dangerous intersection
a. Connect walkway directly to Main & Crain. Support biz access (bike shop, brewery, for sale property)
b. ebike charging station. Bike riders love to spend money in small bizes (connect riders to bike shop/downtown)
c. Parking for Haymaker/Events
d. Cross walks
e. Roundabout at Stow Street and Franklin Avenue
f. Connect the bike path to Haymaker Farmers Market footprint
g. Could the building offer a kitchen/banquet space, restrooms, 3rd space lounging for community
h. Haymaker Farmers Market building with overhead doors
i. Run sewer through market
j. City to purchase rail property at Summit & market space
l. Wayfinding signage for Haymaker Farmer's Market throughout town
m. Need electric hookups for stage and vendors using refrigeration & prepared foods
n. 4 seasons market space for Haymaker building
q. Free parking garage similar to Cuyahoga Falls
v. We love the brick road
y. Lighting Columbus area over the street
cc. Buy Hutch Pet Shop property. Close Crain to create a cul-de-sac. John Brown Church historical site.
dd. More pedestrian friendly
ee. Fix Me!
ff. Indoor public spaces, restrooms
gg. Crosswalk
hh. Two way behind HTB
ii. Remove spur
jj. East river bike trail
ll. Crosswalk flashlights @ crosswalk down Water
mm. Street lights down alley
nn. Storm water drains
pp. Parking spaces?
qq. Continue streetscape
rr. North entry
ss. Pump station "canal or rr era" architecture
tt. Pave lot, water, electric
uu. Water ?
vv. Pave this (parking deck)
ww. New bricks
zz. Re-purpose line, leave in for nature
Ff. River walk
Gg. Extra parking
Hh. Make alley accessible
Ll. Activate space.

Location on Map
3. River Street - Single lane road to make for a bigger sidewalk for the community.
4. Amphitheater, Additional Parking
5. Connection to Library
11. The most ideal spot to move the sanitary sewer
12. Deck by trail, Speakeasy
13. Welcome arches
14. Better trail connection, real bike lane?
16. Better, safe crossing between Farmers Market parking lot (south of Summit) to Farmers Market
17. Covered Farmers Market, pervious pavement, major access issues
18. Rethink location of Farmers Market
22. Better pedestrian crossing
23. No left turn out of Walgreen's is weird
25. Improved parking lot & grocery store
28. Love brick on Franklin, "The great patio"
29. Flatten red brick surface on Franklin Avenue
30. Design that invites private development
38. Permanent Franklin closure?
39. Umbrellas over tables on Franklin
40. Train quiet zone
42. Public bathrooms!!! (nice not porta potties)
57. A street that so many times a year becomes for bikes and pedestrians only
63. Pave market parking
65. Cleanup and beautify parking lot
69. Improve Franklin DORA attractive
73. 4 seasons Farmers Market, look at Bellingham Farmers Market
74. Free garage like Cuyahoga Falls
79. Eliminate spaces, extend concrete, year round picnic tables
81. Quiet crossings
85. Buy pet shop, close Crain to thru traffic

Fairchild Avenue
North Mantua Street
Crain Ave
Existing sanitary sewer
Brady Street
Portage Street
North Water Street
