# CITY OF KENT, OHIO

## DEPARTMENT OF PUBLIC SERVICE

### MEMO

**TO:** Dave Ruller, City Manager

**FROM:** Melanie A. Baker, Service Director

**DATE:** 10/26/2020

**SUBJECT:** Multi-Family Recycling – Changes and Portage County Completion of Contract

As we have continued to gain better understanding and read about services in this climate of change, recycling is just one more service that seems to be struggling. With improper recycling, and contamination, haulers are faced with increased costs.

Portage County Solid Waste District is not isolated from these issues. Residentially speaking, single-family contamination remains under control and easier to address. Mr. Steiner, the Director of Portage County Solid Waste District, mentioned in an October 15<sup>th</sup> meeting that some area MRF's (Material Recovery Facilities) are seeing up to 20% contamination in residential recycling. This contamination is requiring dumping fees to continue to rise and haulers to receive additional fees or fines for the contamination.

With that said, Kent's single-family recycling currently seems to be doing well. Portage County is not seeing wide spread abuse or contamination in Kent. If they encounter contamination, they leave notification with our resident and refuse pick up till cleaned. Complaints have been minimal with this process.

Unfortunately, multi-family contracts and pickups are not faring as well. Mr. Steiner explained that he is seeing County wide contamination in multi-family as high as 80%. The County has initiated a no pull / dump procedure if the recyclable container is contaminated.

As I reported to Mr. Steiner, the City of Kent has about 6 to 8 multi-family complexes that have excessive contamination. I have reviewed the Ordinances for recycling with the owners. The owners have worked with Portage County on educational materials for their tenants and the different procedures to help lessen the contamination. The owners have worked with Portage County on educational materials for their tenants and different procedures to help lessen the contamination but unfortunately those efforts have not been successful. As a result, the property owners are then unable to get their recyclables picked up and have to pay their trash haulers to dump and haul the contaminated contents away at an additional cost.

Mr. Steiner, said that he was aware of a few of these facilities as he has had to stop dumping and or have pulled their recycling containers due to the inability to get clean recyclables.

It was then noted that the current costs for recycling dumping in Akron is \$57.48 per ton. Mr. Steiner stated that the 2021 contract will be \$77.00 per dump and could escalate as high as \$93.00 by the end of 2021 due to the levels of contamination.

With the large amount of contamination throughout the County, Mr. Steiner stated "It is his preference to remove Portage County Solid Waste from all Multi-family contracts."

With that said, the City is aware of 6 to 8 current multi-family residential facilities under contract as per our ordinances having recycling issues, and paying extra for dumping. The City is also aware of 4 other multi-family facilities that no longer have dumpsters due to excessive contamination and are no longer charged for such service. The City also has 8 other multi-family residential facilities that do not participate in this contract due to prior legal issues and settlements. This is a total of about 23 percent of our multi-family residential complexes that are not participating in our recycling as per our ordinances.

Therefore, due to the request of Mr. Steiner, Director of the Portage County Solid Waste Management, to no longer pick up multi-family facilities, the issues of contamination, and with the lack of participation in the City due to several reasons, I would recommend that the City allow our contract with Portage County to effectively end at the end of 2020. The County has agreed with a 3-month contract extension at the same prices (final end would be March 31, 2021.) This would allow time for our multi-family facilities to individually obtain contracts for their recycling needs.

I will ask for a motion of support / approval of this contract change and ending.

As well, I will update our Ordinances to amend the following items as it pertains to Trash, Solid Waste and Recycling Chapters 933, 935 and 936.06:

- Definitions (For Trash, Solid Waste and Recycling)
- Process of collection
- Items for collection / non-collection
- Containers
- Billing
- The removal of Multi-Family recycling provided by the City to private hauler required.

These items have needed updated and cleaned up since the law suit and recent changes in contracts with Rumpke and Portage County for residential single-family collection.

These corrections and changes will be brought to Council for final review and approval in the next few months.

# CITY OF KENT, OHIO

---

## DEPARTMENT OF COMMUNITY DEVELOPMENT

DATE: October 26, 2020

TO: Dave Ruller, City Manager

FROM: Bridget Susel, Community Development Director *B.S.*

RE: Unpaid Civil Offense Fines: Rental Licensing Program

---

In July of each year, the administration presents Council with listings of the various documented delinquent fines and unpaid fees and requests the charges be certified over to the Portage County Auditor to be assigned to the associated property/parcel number for inclusion on the real property tax duplicate.

The Community Development Department had two different rental property owners who had accumulated civil offense fines for noncompliance with the rental registration ordinance. After a period of noncompliance, however, both property owners had exhibited a willingness to comply, beginning early in the summer, so staff did not include these fines on the July list because the Department will apply reductions to the accumulated civil offense fine amount when a property owner exhibits a willingness to cooperate and bring a property into compliance.

The attached list reflects a reduction of 75% in fines for the owner(s) of three rental units who did complete the rental licensing and inspection process after an initial period of noncompliance. The other property owner, however, has not completed the process and in fact, has not responded to numerous recent requests to schedule the needed inspections to secure the required rental license(s) so the full amount of accumulated delinquent civil offense fines is listed to be certified to the Auditor.

I am respectfully requesting time at the November 4th Council Committee to answer any questions Council may have regarding the attached and to request Council authorization, with emergency, to submit the list to the Portage County Auditor in order to have the identified amounts certified and assigned to the real property tax duplicate for the specified properties/parcel numbers.

Please let me know if you need any additional information in order to add this item to the agenda.

Thank you.

**Re:** Five-Year Capital Plan

---

Mr. Ruller,

I would like to request that a discussion regarding the 2020 to 2025 Capital Plan (CAP Plan) be placed on the November 4, 2020 Agenda.

Thank you.

# Utility Rate Stabilization Plans: 2021 Plans Update

3% Option

Council approved the multi-year rate stabilization plans for the water and sewer funds in 2011. The approved rate plans included 4 years of 9% rate increases to “catch-up” with deferred maintenance and capital costs, followed by 3% rate increases in the out years of the plan to keep pace with inflation.

From the outset, the staff committed to pursuing grants, cost savings opportunities, and to make plan modifications in order to provide rate relief while still ensuring necessary re-investment in the City’s water and sewer infrastructure.

In the first 2 years of rate “catch up” the rates approved by Council matched the rate plans. However, in the following 2 years, the rates were less than half of what was originally projected in the plans. As a result, a portion of the lost rates were “made-up” in 2017 and 2018 for the water fund; the sewer fund rate gap was not “made-up.” For 2021 the staff has proposed an option of a 3% sewer rate increase to stay on track with the Plan rates.

## Rate Plan vs. Actual Rates Comparison Chart

	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
Water Plan	9.0%	9.0%	9.0%	9.0%	3.0%	3.0%	3.0%	3.0%	3.0%	3.0%
Water Actual	9.0%	9.0%	4.0%	3.0%	3.0%	8.0%	9.0%	3.0%	3.0%	3.0%
Difference	0.0%	0.0%	5.0%	6.0%	0.0%	-5.0%	-6.0%	0.0%	0.0%	0.0%

Water Plan	\$1.80	\$ 1.96	\$ 2.14	\$ 2.33	\$ 0.85	\$ 0.87	\$ 0.90	\$ 0.93	\$ 0.95	\$ 0.98
<u>Water Actual</u>	<u>\$1.80</u>	<u>\$ 1.96</u>	<u>\$ 0.95</u>	<u>\$ 0.74</u>	<u>\$ 0.76</u>	<u>\$ 2.10</u>	<u>\$ 2.55</u>	<u>\$ 0.93</u>	<u>\$ 0.95</u>	<u>\$ 0.98</u>
Difference	\$0.00	\$0.00	\$1.19	\$1.59	\$0.08	-\$1.23	-\$1.65	\$0.00	\$0.00	\$0.00
Customer Rate Relief Period (rate lower than planned)					Customer Rate Equalization (rate higher than planned)					

Average Customer Increase (\$)  
Sewer Rate Plan vs. Actual (month)

The compounded losses of the rate relief provided to sewer customers in 2014 and 2015 has resulted in an emerging deficit condition in the sewer fund.. A multi-faceted sewer rate equalization is needed but due to the fiscal stress created by COVID19, the staff is recommending staying on Plan with a 3% sewer rate increase in 2021.

Average Customer Increase (\$)  
Water Rate Plan vs. Actual (month)

As a result of water rate relief in 2014 and 2015, followed by the water rate equalization in 2017 and 2018, the water fund is back on track with the approved rate plan schedule with a 3% water rate increase proposed for 2021.

Even with the proposed rate increases for 2021, the City's utility customers will be paying an average of \$4.69 less per month, or around \$56 less per year than originally planned for 2021.

# Utility Rate Stabilization Plans: 2021 Plans Update

5% Option

Council approved the multi-year rate stabilization plans for the water and sewer funds in 2011. The approved rate plans included 4 years of 9% rate increases to “catch-up” with deferred maintenance and capital costs, followed by 3% rate increases in the out years of the plan to keep pace with inflation.

From the outset, the staff committed to pursuing grants, cost savings opportunities, and to make plan modifications in order to provide rate relief while still ensuring necessary re-investment in the City’s water and sewer infrastructure.

In the first 2 years of rate “catch up” the rates approved by Council matched the rate plans. However, in the following 2 years, the rates were less than half of what was originally projected in the plans. As a result, a portion of the lost rates were “made-up” in 2017 and 2018 for the water fund; the sewer fund rate gap was not “made-up.” For 2021 the staff has proposed an option of a 5% sewer rate increase to catch the sewer back up to the Plan objectives.

**Re:** Advance of Property Taxes Resolution

---

Mr. Ruller,

The City is permitted by Section 321.34 of the Ohio Revised Code to request the County advance to the City any property taxes that have been collected prior to the normal February settlement date. Passage of this resolution will enable the City to receive at least a portion of its property taxes approximately four to six weeks prior to the actual settlement date. I am respectfully requesting City Council's approval of a resolution for this purpose to be placed on the City Council agenda for Nov. 4, 2020.

Thank you.

## DEPARTMENT OF COMMUNITY DEVELOPMENT

DATE: October 20, 2020

TO: Rhonda Hall, Budget & Finance Director

FROM: Bridget Susel, Community Development Director *BS*

RE: Appropriations Request: Community Development Block Grant Coronavirus (CDBG-CV) Round 3 Grant Funding

---

The City of Kent has received a second supplemental allocation in the amount of \$162,666 in Community Development Block Grant Coronavirus (CDBG-CV) funding from the U.S. Department of Housing and Urban Development (HUD) through the Round 3 of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Although this is identified by HUD as the third round of CDBG-CV funding, it is only the second allocation of this funding to the City of Kent.

The Community Development Department plans to utilize these funds in 2020 to assist low-to-moderate income persons adversely affected by the COVID-19 pandemic crisis.

I am respectfully requesting the appropriation of \$162,666 in CDBG-CV funds to the CDBG fund account 126-04-540-401.7999 "COVID-19" be presented to Kent City Council at the November 4, 2020 Committee session.

Thank you for your consideration of this matter. Please let me know if you need any additional information in order process this request.

Cc: Kathy Petsko, Grants & Neighborhood Programs Coordinator  
Brian Huff, Controller  
Kim Brown, Administrative Assistant, Community Development

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT  
WASHINGTON, DC 20410-7000

ASSISTANT SECRETARY FOR  
COMMUNITY PLANNING AND DEVELOPMENT

September 11, 2020

The Honorable Jerry Fiala  
Mayor of Kent  
301 S. Depeyster Street  
City Building  
Kent, OH 44240-3649

Dear Mayor Fiala:

I am pleased to inform you of a special allocation to your jurisdiction of Community Development Block Grant funds to be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.

The CARES Act made available \$5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds. Of this amount, the Department immediately allocated \$2 billion on March 27, 2020, the same day President Trump signed the Act, based on the fiscal year 2020 CDBG formula; this constituted the first round of CDBG-CV funds. Next, \$1 billion was required by the Act to be allocated to States and insular areas within 45 days of enactment of the Act; HUD accomplished this on May 11, 2020, and this constituted the second round of CDBG-CV funds. Finally, the remaining \$2 billion in CDBG-CV funds was required by the Act to be allocated to states and local governments at the discretion of the Secretary on a rolling basis; HUD accomplished this on September 11, 2020, and this constituted the third round of CDBG-CV funds. Additionally, up to \$10 million will be set aside for technical assistance.

Accordingly, this letter informs you that your jurisdiction's allocation for the third round is \$162,666. Your cumulative amount for all allocation rounds is \$341,362.

The CARES Act adds additional flexibility for both the CDBG-CV grant and, in some cases, for the annual FY2019 and FY2020 CDBG grants in these unprecedented times. The public comment period is reduced to not less than 5 days, grantees may use virtual public hearings when necessary for public health reasons, the public services cap is suspended during the emergency, and States and local governments may reimburse costs of eligible activities incurred for pandemic response regardless of the date.

In addition, the CARES Act authorizes the HUD Secretary to grant waivers and alternative requirements of statutes and regulations the HUD Secretary administers in connection with the use of CDBG-CV funds and fiscal year 2019 and 2020 CDBG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Waivers and alternative

requirements can be granted when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus.

The CDBG CARES Act Federal Register Notice (FR-6218-N-01) was released on August 10, 2020. The notice describes the allocations and grant procedures applicable to the CDBG-CV grants. It also describes the program flexibilities, waivers, and alternative requirements that apply to the CDBG-CV grants as well as the fiscal year 2019 and 2020 CDBG grants. As further such flexibilities become available, they will be posted on HUD's website and distributed to grantees. The Department will also support grantees with technical assistance.

As you develop your plan for the use of these grant funds, we encourage you to consider approaches that prioritize the unique needs of low- and moderate-income persons and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. You should coordinate with state and local health authorities before undertaking any activity to support state or local pandemic response. CDBG-CV grants will be subject to oversight, reporting, and the requirement that each grantee have adequate procedures to prevent the duplication of benefits (DOB). HUD will provide guidance and technical assistance on DOB, the prevention of fraud, waste, and abuse, and on documenting the impact of this program for beneficiaries.

Reminder, all CPD Grantees must ensure they maintain active Dun and Bradstreet Numbering System (DUNS) numbers in the System for Award Management (SAM) system. Entities must have an active and unexpired DUNS before execution of grant agreements to avoid delays in the obligation of funds- which will delay your ability to drawdown funds in the Integrated Disbursement & Information System (IDIS). Grantees are required to maintain an active SAMs registration by re-activating their DUNS number annually in the SAM system for the entire drawdown period of their grants. DUNS numbers can be registered and renewed each year at the following website: <https://www.sam.gov/SAM/>.

The Office of Community Planning and Development (CPD) is looking forward to working with you to successfully meet the urgent and complex challenges faced by our communities. If you or any member of your staff has questions, please contact your local CPD Field Office Director or [CPDQuestionsAnswered@hud.gov](mailto:CPDQuestionsAnswered@hud.gov).

Sincerely,

John Gibbs  
Acting Assistant Secretary  
for Community Planning and Development  
U.S. Department of Housing and Urban Development

Re: CARES Act Appropriations

---

I would like to add appropriations in the amount of \$1,068,315.68 to the Local Coronavirus Relief Fund #137.

In order to spend the funding we received from Portage County in relation to the CARES Act through HB 614, the appropriations will be necessary to be in compliance with all Budgetary requirements. Additional appropriations may be requested at a future date, depending on the total dollars received from the County and the costs allowable for reimbursement.
