

CITY OF KENT, OHIO

DEPARTMENT OF FINANCE

David affer

TO:

Dave Ruller, City Manager

FROM:

David A. Coffee, Director of Budget and Finance

DATE:

June 24, 2014

SUBJECT:

2015 Tax Budget and Public Hearing

The 2015 Tax Budget has been prepared and is submitted as attached for public hearing, along with the request for City Council approval and adoption. The Tax Budget is required to be submitted and adopted annually for each political subdivision in accordance with Ohio Revised Code, Section 5705, by July 15th and subsequently must be filed with the County Auditor by July 19th each year. Failure to do so <u>shall</u> result in the loss of the local government fund allocation, estimated to be in excess of \$0.67 million for fiscal year 2015. The requested Council approval does not Appropriate any City of Kent funds for expenditure in the 2015 Fiscal Year.

Tax Budgets are reviewed by County Budget Commission to certify the amount of monies to be collected from property taxes and levies based upon demonstrated needs. The political subdivisions in Portage County have voted to adopt an alternative formula for the distribution of Local Government Funds (LGF) which is likewise certified by the Budget Commission.

While preparation of the annual Tax Budget for the City of Kent is largely a procedural formality, it also serves as the first official step in our Capital and Operating Budget processes. Although the required format and presentation of Tax Budget numbers differs considerably from our Annual Budget, they both start with the same basic data and assumptions. The Tax Budget format combines our annual budget's O&M, Capital, Debt Service, and Contingency categories into a single "Other" column. The numbers in the Tax Budget reflect department requests that are consistent with our directive to hold Operating and Maintenance expenses to a zero increase compared to the 2014 budget, unless there is a substantiated and compelling reason for variance. Overall, the underlying O&M expense lines contributing to this year's Tax Budget remain mostly at the current budget level with the exception of expenses that are offset by new/additional revenue, partly attributable to a fully operational redeveloped downtown district.

Other format and presentation differences make direct comparisons between budget documents difficult and subject to misrepresentation. Overall we continue to apply conservative budget preparation principals. Our revenue projections reflect mixed current trends based upon source categories. Our "normalized" income tax collections continue to experience a gradual recovery, however in 2015 we will have to fully absorb the various changes in local government funding sources including the loss of estate taxes, which in total have declined by almost \$1 million compared to four years ago. Expenses in Personnel Services have been budgeted with anticipated contract increases, along with adjustments for special payouts related to retirements and sell back of sick leave, vacation and accrued comp time. Additionally, it should be noted that Tax Budget numbers reflect initial departmental requests for the most part. Further budget review and refinement will occur as departmental budget hearings take place and the annual budget process continues preceding presentation in the Fall to City Council for approval and final adoption.

REVISED /88
Prepare in Triplicate
On or before July 19th, two copies of this Budget must be submitted to the County Auditor

CITY OF KENT, PORTAGE COUNTY, OHIO

June 24, 2014

This Budget must be adopted by the Council or other legislative body on or before July 15th, and two copies must be submitted to the County Auditor on or before July 19th. FAILURE TO COMPLY WITH SEC. 5705.28 R.C. SHALL RESULT IN LOSS OF LOCAL GOVERNMENT FUND ALLOCATION.

| consideration of the County Budget Commission. | adopted by Council and is herewith submitted for |

CITY OF KENT, OHIO

CITY MANAGER'S OFFICE

June 23, 2014

Andrew Booker Supervisor, Ohio EPA Division of Materials and Waste Management 50 W. Town Street, Suite 700 Columbus, Ohio 43215

RE: Portage County Solid Waste Plan and Recycling Services

Dear Mr. Booker:

The members of the Kent City Council asked me to put in writing their serious concerns with the recent lobbying efforts by private trash companies to influence the County Solid Waste Plan and undercut the longstanding partnership that the City of Kent has had with the Portage County Solid Waste District to collect recyclable materials and protect the environment.

The City of Kent has one of the longest running recycling programs in the State of Ohio, dating back to the 1960's. When it was time to take recycling door-to-door in 1999, the Portage County Solid Waste District was the only agency that was willing to step in and fill the service gap that private haulers chose to stay out of.

The absence of private service providers led the City and Portage County Solid Waste District to shoulder the full costs and assume significant financial risk to build the local secondary materials collection, processing and distribution networks from the ground up on the public dime. Over time, the success of the Portage County Solid Waste District and the maturation of the secondary materials industry eventually led private haulers to enter the marketplace.

Now, those haulers are seeking to use the legislative process to push the public service competition out of the market and consolidate private market share to maximize corporate profit at the expense of the public dollars that were invested up-front to build the recycling infrastructure. The public entities were willing to make the initial investments for the public good with an understanding that those sunk costs would be recovered over time.

The prospective changes in the legislative terms of the Solid Waste Plan will prevent the public entities from fulfilling their mission of providing sustainable environmental services. The proposed privatization of recycling services threatens to eliminate the recovery of the initial public investments for the benefit of corporate profit rather than the stewardship of public funds as promised.

The City appreciates service competition and while there are number of examples where Kent has successfully partnered with private sector service providers, the City has seen too many examples -- particularly in the recycling and trash industry -- where public services were displaced only to have private service costs steadily rise as the larger companies gained control of the market and squeezed out competition to the detriment of the customers.

The City of Kent and the Portage Solid Waste District are proud of their leadership roles in pioneering recycling services for environmental benefits in Ohio. The Kent City Council urges the Ohio EPA to

take the time to more thoroughly evaluate the job loss and financial consequences that would come from such a disruptive change.

At a time when we are all working so hard to create an economic recovery, the City is alarmed at the prospect of such a major economic and environmental setback.

Yours truly,

Dave Ruller City Manager Kent, OH 44220

Bridget Susel, Community Development Director

RE:

Amendment to Land Lease with ABC Railway

The City of Kent entered into a land lease with the Akron Barberton Cluster (ABC) Railway Company in October 2011. The land lease granted the City permission to utilize the unimproved area on the west side of Franklin Avenue, just south of the Pufferbelly Restaurant paved parking area, for additional long-term parking to support the downtown business district.

City staff has been working with representatives from the ABC Railway to secure a lease with a longer term and to garner permission from the Railroad to allow for the addition of possible leasehold improvements to the site, such as paving the area, striping it for parking, and the installation of additional outdoor lighting.

ABC Railway has issued the City a draft amendment to the original agreement that provides for a fifteen year term, beginning on July 1, 2014 and which has two (2) five options for renewal. The proposed amendment also grants the City permission to install leasehold improvements on the site after securing written permission from the Railroad.

I am respectfully requesting time at the July 2, 2014 Committee session to discuss this item with the members of Council and to request Council's authorization for the City to renew the land lease with the ABC Railway, subject to the conditions identified in the proposed amendment.

Please let me know if you need any additional information in order to add this item to the agenda.

Thank you.

AMENDMENT TO LAND LEASE AGREEMENT No. 35-04380

THIS AMENDMENT, made in duplicate this 23rd day of June, 2014, by and between the AKRON BARBERTON CLUSTER RAILWAY COMPANY, an Ohio Corporation of 100 East First Street, Brewster, Ohio, 44613, hereinafter referred to as the "LESSOR", and the CITY OF KENT, Municipality of the State of Ohio, having an address of 215 East Summit Street, Kent, Ohio, 44220, hereinafter referred to as "LESSEE".

WITNESSETH:

WHEREAS, by Land Lease Agreement dated October 26th, 2011, with a term beginning November 1, 2011, between the LESSOR and LESSEE wherein Lessor granted permission to LESSEE to lease a total of 1.02 acres of land located North of Summit Street, West of Franklin Avenue and East of LESSOR's main line track for the purpose of public parking and the summers farmers market.

WHEREAS, LESSEE desires to extend the term of the Lease to accommodate the future economic development within the area.

NOW THEREFORE, in consideration of the mutual covenants hereinafter recited, the parities hereto agree that the aforesaid Land Lease Agreement dated October 26th, 2011 shall be and the same hereby amended under the following terms and conditions:

- LESSOR shall extend the term of the lease for fifteen (15) years beginning July 1st, 2014 through June 30, 2030, with two (2) five years options to renew upon LESSEE giving LESSOR Sixty (60) days written notice of its desire to renew.
- 2. LESSEE shall pay the annual rent for the first five (5) year term, beginning July 1, 2014, the amount of \$2,300.00 per year, ending June 30, 2019;

LESSEE shall pay the annual rent for the second (5) year term, beginning July 1, 2019, the amount of \$2,645.00 per year, ending on June 30, 2025;

LESSEE shall pay the annual rent for the third five (5) year term, beginning July 1, 2025 the amount of \$3,042.00 per year, ending on June 30, 2030. Rental for any extended term will be renegotiated sixty (60) days prior to June 30, 2030.

- 3. LESSEE shall have the right to make improvements (paving, striping, lighting, etc.) to the property after obtaining written approval from LESSOR.
- 4. All other terms and conditions of said Agreement shall remain unchanged.
- 5. The effective date of this amendment shall be July 1, 2014.

IN WITNESS WHEREOF, each party hereto has caused this amendment to be executed, all as of the date first above written.

CITY OF KENT, OHIO

HUMAN RESOURCES DEPARTMENT

To:

Dave Ruller, City Manager

From:

Liz Zorc, Human Resources Manager

Subject:

Part-Time Civil Service Coordinator

Date:

June 26, 2014

After surveying several other cities that have a Civil Service Commission, I have found that generally the support position for the Commission is combined with some other position in the city. Or, the support staff for the Civil Service Commission also supports all the other boards and commissions. It appears to be rare for the Civil Service Commission to have a full time support person dedicated just to Civil Service.

If the Council wishes to change the Civil Service Coordinator position in the City of Kent to part time, per the General Compensation Plan the hours would be limited to twenty-four hours per week, or 1248 hours per year. I recommend a pay range of \$17.00 - \$23.00 per hour, which is similar to wages for Account Clerks and Administrative Assistants within the City structure. A part time Coordinator would not be entitled to any other fringe benefits except legally required pro-rated paid sick leave, and OPERS and Medicare contributions on his/her behalf by the City.

CITY OF KENT, OHIO

DEPARTMENT OF FINANCE

TO:

Dave Ruller, City Manager

FROM:

Dave Coffee, Director of Budget and Finance

DATE:

June 17, 2014

SUBJECT:

Renewal of City Debt and related Note Issuance Ordinances

I am respectfully requesting Finance Committee agenda time at the July 2, 2014 meeting to request authorization of separate ordinances related to City debt obligations as defined herein. Principal and Interest payments will be made for each obligation as scheduled in the 2014 budget with the exception of the 2013 Alley 5 and Other Streets BAN which will be an Interest Only payment. Following is a summary of the BANs that will come due on September 4, 2014 along with the requested renewal principal amounts:

| | Current | Principal | 2014 Renewal |
|----------------------------|------------------|-----------|------------------|
| Note Purpose | Principal | Pay Down | Principal |
| 2013 Main Fire Station BAN | - \$1,770,000 | \$250,000 | \$ 1,520,000 |
| 2013 Admin. Office BAN | - \$ 175,000 | \$ 20,000 | \$ 155,000 |
| 2013 Sanitary Sewer BAN | - \$ 615,000 | \$ 60,000 | \$ 555,000 |
| 2013 Streets / Alley 5 BAN | - \$ 1,650,000 | \$ 0 | \$ 1,650,000 |

Following is a summary of the 2013 Various Purpose Refunding (of 1998 Bond) Notes that will also come due on September 4, 2014 along with the requested renewal principal amounts:

| 2013 Service Building Note | - \$ | 700,000 | \$130,000 | \$ 570,000 |
|----------------------------|------|---------|-----------|---------------|
| 2012 Fairchild Ave. Note | - \$ | 320,000 | \$ 60.000 | \$ 260,000 |

We have evaluated current and projected bond and note market conditions in addition to the City's overall financial position and determined that it is in the City's best interest at this time to continue refunding this debt in the form of Notes (BANs) rather than convert to Bonds. We anticipate the spread between renewal rates for the one year notes and bond rates would likely be in the vicinity of an additional 300 basis points or higher at this point in time. On a principal balance of \$4.615 million the interest differential equates to over \$138,000 in reduced debt expense to the City which we believe adequately mitigates the interest rate risk by not bonding at this time.

Thank you in advance for your support of this request and the actions being recommended.

MEMORANDUM DEPARTMENT OF COMMUNITY DEVELOPMENT City of Kent

Date: April 30, 2014

To: Dave Ruller, City Manager

Re: Chapter 1191 - Parks and Recreation Fee

Copy: Linda Jordan, Clerk of Council Jim Silver, Law Director Gene Roberts, Service Director

John Idone, Director of Parks and Recreation

James Bowling, City Engineer

Bridget Susel, Director of Community Development

file

I respectfully request City Council agenda time on May 7, 2014 to consider modification of the Parks and Recreation fee sections of the code. Eric Fink will be presenting this request.

Although this KCO 1191 is not part of the zoning code, the Planning Commission does play a role in the approval of the park fee amount. On March 18, 2014 the Kent Planning Commission considered proposes amended language to KCO Section 1191 to update the park fee and on April 15, 2014, the Planning Commission held a public hearing for input. There were comments. The reasons for the changes include such items as follows:

- clarifying the language
- matching current practices
- correcting math errors
- defining the fee negotiation method
- shifting some responsibilities from Planning Commission to the Parks Department
- adding a rooming/boarding house park fee calculation method
- eliminating the use of the Cleveland Area Consumer Price Index

After concluding the discussion, the Planning Commission voted 5-0 to recommend to City Council to amend zoning code Section 1191 to update park fee code.

A copy of the proposed amendment is attached. Since this code section is not part of the zoning code, City Council does not have to conduct a public hearing.

1191.01 FINDINGS

Kent City Council hereby finds that the City of Kent and the surrounding areas will sustain continued growth in the form of new residential subdivisions and developments and the residents of such subdivisions and developments will need additional parks, recreational facilities and public open spaces. The acquisition and development of parks, recreational facilities and public open spaces are necessary to meet the needs created by the future residents of such subdivisions and developments and should be provided in substantial part by such future residents. Therefore, any subdivision and/or development with a residential component may be subject to a Parks and Recreation fee as defined in this Chapter. (Ord. 1999-134. Passed 12-1-99.)

1191.02 PURPOSE

It is found that parks, recreational facilities and public open spaces are necessary elements of public welfare. Therefore, the public health, safety and welfare require that as more people locate in the City of Kent, more parks and recreational facilities are needed. It is the purpose of this Chapter to give the necessary authority to the Planning Commission, Department of Public Service, the Parks and Recreation Board, Kent City Council in order to attain this purpose. (Ord. 1999-134. Passed 12-1-99)

1191.03 STATEMENT OF POLICY.

With respect to subdivision and developments to which this chapter applies, property should be devoted and/or developed for parks, recreational facilities and public open spaces by or at the expense of subdividers and developers of the dwellings in which persons shall reside. (Ord. 1999-134. Passed 12-1-99)

1191.04 DEFINITIONS.

As used in this chapter, the following words shall have the meanings ascribed therein unless otherwise provided: DEFINITIONS HAVE BEEN REORDERED TO BE ALPHABETICAL AND WILL BE RENUMBERED.

- (a) "Builder" means any person, corporation, association, partnership or other entity that creates or proposes to create a dwelling unit or units.
- (b) "Commercial space" means each space, area, or building which is either intended for any of the uses set forth in Chapters 1141, 1143, 1145, 1149 of the Zoning Code. It shall not include any space, area or building which is used for school purposes or public buildings used or operated by the Federal Government, the State Government, the County government, the City of Kent, the Kent School Board or for any Public Library.
- (c) "Development" means a subdivision of the kind known as a planned development, planned unit development, multi-family development or single parcel development.
- (d) "Developer" means any person, corporation, association, partnership or other entity that creates or proposes to create a development or lot split, all or a portion of which will be located within the planning jurisdiction City of Kent limits.
- (e) "Independent Qualified Appraiser" means a State of Ohio Certified General Real Estate Appraiser, licensed through the State of Ohio, Department of Commerce, Division of Real Estate and Professional Licensing.
- (f) "Industrial space" means each space, area, or building which is either intended or used for any of the permitted main uses set forth in the Industrial Districts in Chapters 1153 and 1155 of the Zoning Code of the City of Kent. It shall not include any space, area or building which is used for school purposes or public buildings used or operated by the Federal Government, the State Government, the County Government, the City of Kent, the School Board or for any Public Library.
- (g) "Parks and recreational facilities and public open spaces" means all types of open space, parks, athletic fields, playgrounds, trails and other facilities for recreational uses of any and all kinds, including school sites.
- (h) "Parks and Recreational Capital Improvements Fund" means the fund established pursuant to Section 1191.11.
- (i) "Planning jurisdiction" means the geographical area over which the Planning Commission has, or from time to time shall have jurisdiction for planning purposes.
- (j) "Subdivider" means any person, partnership, association, corporation or other entity that creates or proposes to create a subdivision or lot split, all or a portion of which will be located within the planning jurisdiction City of Kent limits.
- (k) "Subdivision" shall be as defined in Section 1179.03(w).
- (l) "Subdivision Regulations" means Kent Codified Ordinances Chapters 1107 1177 through 1191 1189.

1191.05 KENT PARKS AND RECREATION MASTER PLAN.

A plan termed, "Kent Parks and Recreation Master Plan" has been adopted by Kent City Council. Such Plan provides a guide for the orderly acquisition and development of parks, recreational facilities and public open spaces. In determining the requirements placed on any subdivision or developer who makes proposals before the Planning Commission, 7the Planning Commission shall give prime consideration to the most current Kent City Parks and Recreation Master Plan and the proposals set forth in such Plan, in determining the requirements placed on any subdivision or developer who makes proposals before the Planning Commission.

1191.06 PROVISIONS FOR PARKS, RECREATIONAL FACILITIES AND PUBLIC OPEN SPACE.

- (a) Every subdivider, developer builder, or builder developer who proposes any development, subdivision, single-family dwelling unit or lot split thirty days after the effective date of this Chapter, or after the adoption of the Parks and Recreation Plan, shall be required to either: shall be required to do one of the following:
 - (1) Dedicate a portion of such land for recreational purposes; as set forth in 1191.08; or
 - (2) Pay a fee in lieu of land dedication; or in the amount determined by 1191.10; or
 - (3) Dedicate a portion of land and pay a fee in lieu- of land dedication, the overall combined value of which does not exceed the amount determined by 1191.10.

The Planning Commission shall determine which option shall be chosen, with the consent of the Parks and Recreation Board.

Where no other option exists, the builder on a single lot, be it for single-family dwelling unit or one multi-unit building shall follow the formula for fees in lieu of land dedication as set out in Section 1191.10(c). The lots referred to in this section are lots that were not part of a subdivision development established after 1971. (Ord. 2000-54. Passed 7-5-00)

- (b) The determination of whether the subdivider, builder or developer shall (a) dedicate land, (b) pay the fee in lieu of land dedication, or a combination of (a) and (b) shall be determined in accordance with 1191.11.
- (c) After it has been determined whether the subdivider, builder or developer shall dedicate land, pay the fee in lieu of land dedication, or a combination of two, the final amount of land to be dedicated, the amount of the fee in lieu of land dedication, or the final combination thereof must be approved be the Planning Commission.

1191.07 DETERMINATION OF TOTAL POPULATION

- (a) The total population of any subdivision or development will be determined by In order to determine the total population for any subdivision or development:
 - (1) Determination of a First, determine the population factor for each dwelling

- residential structure within the subdivision, development or lot split;
- (2) Summation of all population factors for each dwelling unit in the subdivision, development or split. Then, multiply the population factor for each residential unit by the number of residential units within the residential structure. This is the residential building population. Repeat this step for each residential structure within the subdivision, development, or lot split.
- (3) Finally, the sum of the residential building populations shall be the total population for subdivision or development.

(b) The population factor

- (1) The population factor for each dwelling shall be as follows: If the property has rooming and/or boarding house designation, the population factor shall be one (1) person per proposed bed in each unit.
- (2) If the property does not have a rooming and/or boarding house designation, the population factor shall be 3.6 persons per unit for each single family residential structure and 2.6 persons per unit for each multifamily residential structure.

| Dwelling Type — | Population Factor |
|------------------------|-------------------|
| Single-family dwelling | 3.6 per unit |
| Multifamily | 2.6 per unit |

- (2)(3) The Planning Commission may modify the requirements of this sSection when the developer can show to the satisfaction of the Planning Commission that:
 - A. Either The development will house a population per household substantially lower than those established in sSubsection (b)(1) or (b)(2) hereof; or this specific development will have a low need for recreation; and
 - B. The development will have a low need for recreation; or
 - C.B. The unique or special characteristics of the development which justify modification of the requirements can be reasonably expected to continue for the life of the project.
- (c) The total population for any subdivision or development shall equal the sum of the population factor of all dwellings to be included in the subdivision or development.

1191.08 AMOUNT OF LAND TO BE DEDICATED.

(a) The Kent Parks and Recreation Master Plan highlighted the importance of neighborhood parks and green space and established a goal of maintaining one

acre of park land for every 100 residents. Therefore, in furtherance of this goal, subdividers, builders, or developers shall be required to dedicate land to the Parks Department and/or pay a fee in lieu of land dedication in order to maintain this objective.

(b) The amount of land to be dedicated by a subdivider, builder or developer shall be determined in accordance with the following formula: total population of the proposed subdivision or development (as calculated or as modified by the Planning Commission) in Section 1191.07 multiplied by 0.01 acres per person equals the minimum required acres of land to be dedicated.

Acres of land for dedication = total-population (See Section 1191.07) X.01

(c) At the discretion of the Parks and Recreation Board and subject to the approval of the Planning Commission, the subdivider, builder or developer may dedicate land that is not contiguous to the development.

1191.09 DETERMINATION OF FAIR MARKET VALUE

For purposes of this chapter, fair market value shall be determined as follows: calculating the fair market value of land to be dedicated pursuant to this Chapter, fair market value shall be determined as follows:

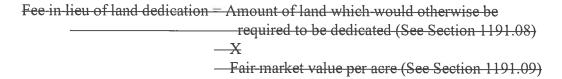

- (a) Time. Fair market value shall be determined as of at the time of filing the final plat or final development plan with the Planning Commission. Fair market value of the acreage of a single-family dwelling unit shall be determined at the time a building permit is issued to the builder whose lots are not under the jurisdiction of the Planning Commission.
- (b) Method. Fair market value shall equal the average fair market value per acre of all residential land in the Park within, contiguous to, and directly across the street from any part of the property or one half mile from the property, whichever is greater, if in its raw, undeveloped state as encompassing the largest portion of the subdivision or development in its raw, undeveloped state, determined by application of one of the following procedures::
 - (1) By agreement between the subdivider or developer and the Planning Commission Parks and Recreation Board, subject to the approval of the Planning Commission.; or
 - (2) In the event the subdivider objects to the valuation method set forth in subsection (b)(1) hereof, then by a qualified independent appraiser approved by the Planning Commission and the subdivider or developer; the cost of said appraiser shall be paid for by the developer; or By independent evaluation of the fair market value at the time as set forth in 1191.09(a). An independent qualified appraiser shall be selected by agreement of the subdivider, builder or developer and the Director of the

Parks and Recreation Department, and subject to the approval of the Planning Commission. The Planning Commission's approval shall be contingent upon the independent qualified appraiser completing their appraisal in the time set forth by the Planning Commission. The cost of the appraisal shall be borne by the subdivider, builder or developer. If the independent qualified appraiser is approved by the Planning Commission and the independent qualified appraiser provides a conclusion to the Planning Commission within the time required by the Planning Commission, the decision of the independent qualified appraiser regarding the fair market value for the property in question shall be final.

- In the event the subdivider or developer objects to all of the foregoing (3) methods of valuation, then by a three-member board of appraisers, on of whom shall be appointed by the Planning Commission, one of who shall be appointed by the subdivider or developer, and one of who shall be selected by the two appraisers so appointed. The decision of a majority of such board shall be final. The cost-of said appraisers shall be paid for by the developer. If the developer, builder or subdivider cannot come to an agreement with the Director of the Parks and Recreation Department (and subject to the approval of the Planning Commission), then a three (3) member board of appraisers shall be created. The subdivider, builder or developer shall appoint one independent qualified appraiser, the Director of the Parks and Recreation Department shall appoint a second independent qualified appraiser, and the two (2) independent appointed appraiser's shall select a third independent qualified appraiser. The cost of the appraisal shall be borne by the subdivider, builder or developer. The Planning Commission shall provide the three (3) member board of independent qualified appraisers a reasonable amount of time to review the property and submit its report. If a majority of this three (3) person panel of independent qualified appraisers provides a conclusion to the Planning Commissions within the time required by the Planning Commission, the majority decision of the three person panel of independent qualified appraisers regarding the fair market value for the property in question shall be final.
- (4) In calculating the fair market value, the Planning Commission or independent qualified appraiser may consider the actual selling price paid by the subdivider, builder or developer and the seller of the land in question if the transaction is an "arms-length" transaction.
- (5) The City of Kent has retained an independent qualified appraiser to calculate the average fair market value of residential acreage within the City of Kent. In the event the developer is building a single family structure on a single lot, a subdivider, builder or developer may use the City of Kent's most recent appraisal for calculating the fair market value of land to be dedicated.

1191.10 FEE IN LIEU OF LAND DEDICATION

(a) Amount. In the event the Planning Commission determines that a subdivider or developer must pay a fee in lieu of land dedication and there is more than one (1) lot involved, the amount of such fee shall be determined by the following formula:

If the subdivider, builder or developer is required to pay a fee in lieu of land dedication (or dedicates land and pays a fee in lieu of land dedication equal to the overall value of the required amount of land to be dedicated), the amount of such fee shall be the number of acres of land to be dedicated (see 1191.08) multiplied by the fair market value per acre of the land that would otherwise be required to be dedicated (see 1191.09) (i.e. acres of land to be dedicated multiplied by fair market value per acre equals the fee in lieu of land dedication).

- (b) Total of Land and Payment. The total of any payment made by a subdivider, builder or developer in land and fees in lieu of land dedication shall be no greater than the fair market value of the amount of land required to be dedicated pursuant to Section 1191.08. When it is determined to be fair and reasonable and in the best interests of the City of Kent and upon the recommendation by the Parks and Recreation Board, the Planning Commission shall have the authority to accept alternative forms of payment, including, but limited to, easements, trails, landscaping, labor, materials or equipment time in place of cash for the fee in lieu of land dedication.
- (c) In the event the developer is building a single family dwelling or a single multifamily unit dwelling on a single lot, pursuant to Section-1191.06, then the amount the developer must pay in fees in lieu of land dedication shall be determine pursuant to the following formula and definition;
 - (1) For purposes of this section only, the base value of land per acre for the Year 2000 shall be \$12,000.00. This number shall be adjusted January 1 of each year hereafter by multiplying the base value by the annual increase in the Cleveland Area Consumer Price Index for the previous year, to calculate the increase or decrease in the base value of land for said year.
 - (2) The formula for a single family dwelling lot shall be:

Amount of land to be dedicated = 3.6 persons x .1 = .036 acres
Fee in lieu of dedication = .036 x base value
An example of a single family dwelling for the Year 2000 would be:

(3) The formula for a multi-family dwelling shall be

Amount of land to be dedicated = 2.6 persons x number of units x .01

Fee in-lieu of dedication = amount of land to be dedicated x base value

An example for a two unit multi-family-dwelling for the year 2000 would be:

2.6 X 2 x .01 = .052 acres .052 X \$12,000 = \$624.00

(Ord. 2000-54. Passed 7-5-00)

1191.11 CHOICE OF LAND OR FEE IN LIEU OF LAND DEDICATION.

- (a) <u>Preliminary Procedure</u>. NOTE THE NUMBERING OF THIS SECTION IS CURRENTLY INCORRECT ON THE WEB AND IN THE PRINTED VERSION (This numbering does not match what is on the web or in print).
 - (1) At the time of the preliminary discussion, the developer or subdivider should gain information concerning requirements of the Planning Commission regarding dedication of land, fee in lieu of payments or a combination of both. (Ord. 2000-54. Passed 7-5-00)
 - (2) If, at the time of the filing of the preliminary plan, the developer or subdivider proposes to dedicate land for parks, recreation and open spaces, such land proposed to be dedicated shall be indicated on the preliminary plan.
 - (3) If, after the preliminary discussion, the developer proposes to pay a fee in lieu, such information shall be submitted as part of the preliminary plan to the Planning Commission.
 - (4) As part of the action concerning the Preliminary Plan, the Planning Commission shall review the proposal of the developer or subdivider concerning either dedication of land, payment of fee in lieu or both. The criteria used in reviewing the proposals of the Preliminary Plan to determine whether then subdivider or developer shall dedicate land, pay a fee in lieu or both shall be as follows:
 - A. The Planning Commission decision shall attempt to facilitate the objective outline in the "Kent City Parks and Recreation Master Plan".
 - B. The Planning Commission shall also consider the advice of various members of the City Administration, especially the Deputy Service Director/Superintendent of Engineering, the Director of Parks and Recreation and the City Manager. (Ord. 2002-106 passed 11-6-02)
 - C. If the subdivider or developer proposes to dedicate land, then the

following-additional criteria shall be used to determine if such a proposal is acceptable:

- 1. Minimum dedication. If the Amount of land required to be dedicated is less than three acres, and that area could not be added to adjoining, continuous existing park or recreational area, no such dedication of land shall be deemed acceptable by the Planning Commission. In this situation, the requirements shall be fulfilled only by payment of fee in lieu of land dedication.
- 2. Unity. Dedicated land must form a single parcel, except in the event the Planning Commission determines that two or more parcels would be in the best public interest.
- 3. Shape. The shape of the dedicated parcel shall be sufficiently geometric to be usable for recreational activities such as softball, tennis, football and other recreational activities.
- 4. Topography. Steep slopes, streams, lakes, watercourses, flood plains may constitute a maximum of thirty percent of the dedicated land and a minimum of seventy percent of the land required to dedication shall be suitable for dry ground recreational use.
- 5. Grade. Seventy percent of the land suitable for dry ground recreational use shall not exceed three percent grade and the remaining dry ground shall not exceed five percent grade.
- 6. Areas of unique natural beauty or having environmental or historic value. If the Planning Commission determines that a proposed parcel of dedicated land is of unique natural beauty or of environmental or historical value, the requirements regarding shape, topography or grade may be waived.
- 7. Access. Public maintenance and emergency access shall be provided by direct frontage of the dedicated land on a public street. Such frontage shall be of sufficient width to allow for maintenance and emergency vehicle access or, an easement of sufficient width to allow such access shall be provided.
- 8. Preservation of natural beauty. Natural features of scenic beauty which, if preserved, will add attractiveness and value to the dedicated land shall be preserved in the dedication of open space and parks and recreation areas.
- (b) Determination by Planning Commission. On the basis of the review of the proposal by the subdivider or developer, the Planning Commission shall determine whether a dedication of land, a payment of tax in lieu or a combination

of both shall be made by the developer or subdivider.

- (1) Prior to initiating a development with a residential component, subdividers, builders, or developers are encouraged to engage in preliminary discussions with the Director of the Parks and Recreation regarding dedication of land, paying a fee in lieu of land dedication, or a combination of both. Pursuant to Section 1183.04, subdivisions are required to present a preliminary plan to Planning Commission. A subdivider's preliminary plan must include a proposal for dedication of land, paying a fee in lieu of land dedication, or a combination of both.
 - a. If the subdivider proposes to dedicate land, such land proposed to be dedicated shall be indicated on the preliminary plan. In reviewing the preliminary proposal, the Planning Commission shall be guided by the criteria listed in Section 1191.11(C)(1)-(9).
 - b. If the subdivider proposes to pay a fee in lieu of land dedication, such information shall be submitted to the Planning Commission as part of the preliminary plan.
 - c. If the builder or developer proposes to dedicate land, such land proposed to be dedicated shall be indicated on the site plan submitted to the Planning Commission.
 - d. If the builder or developer proposes to pay a fee in lieu of land dedication, such information all be submitted with the site plan submitted to the Planning Commission.
 - e. Site plan approval by the Planning Commission shall be contingent upon the City of Kent receiving proper title to the dedicated land (see Section 1191.15) or the Parks and Recreation Department receiving the approved fee in lieu of dedicating land (see Section 1191.12) or both (in cases of a combination of dedicating land and paying a fee in lieu of dedicating land).
- (2) Upon receiving an application for a site plan with a residential component, the Community Development Department shall ensure that the Parks and Recreation Department is made aware of the proposal.
- (b) Upon receiving formal notification that a subdivider, builder or developer is seeking site plan approval from the Planning Commission, the Parks and Recreation Board shall select the option from Section 1106 that most benefits the Parks and Recreation Department, giving consideration to the Kent Parks and Recreation Master Plan, the needs of the City of Kent, the factors contained within Section 1191.11(C)(2)-(9), and the practical availability of land to be dedicated by the subdivider, builder or developer. Such a determination shall be made within thirty (30) days of receiving the formal notification.
- (c) Appeals. The subdivider, builder or developer may appeal the decision of the Parks and Recreation Board to the Planning Commission. Such an appeal must be made within thirty (30) days of the decision of the Parks and Recreation Board in writing to the Planning Commission and shall be heard by the Planning

Commission within thirty (30) days of such an appeal, unless the subdivider, builder or developer requests an additional time to prepare their appeal. After the Planning Commission receives evidence at a hearing, the Planning Commission shall consider (if applicable) each of the following:

- (1) The objectives outlined in the Kent Parks and Recreation Master Plan.
- (2) Preservation of natural beauty. Natural features of scenic beauty which, if preserved, will add attractiveness and value to the dedicated land shall be preserved in the dedication of open space and parks and recreation areas.
- (3) Minimum donation. If the Amount of land required to be dedicated is less than three acres, and that area could not be added to an adjoining, continuous existing part or recreational area, no such dedication of land shall be deemed acceptable by the Planning Commission. In this situation, the requirements shall be fulfilled only by payment of a fee in lieu of land dedication.
- (4) Unity. Dedicated land must form a single parcel, except in the event that the Planning Commission determines that two or more parcels would be in the best public interest.
- (5) Shape. The shape of the dedicated parcel shall be sufficiently geometric to be usable for recreational activities such as softball, tennis, football and other recreational activities.
- (6) Topography. Steep slopes, streams, lakes, watercourses, flood plains may constitute a maximum of thirty percent of the dedicated land and a minimum of seventy percent of the land required to dedication shall be suitable for dry ground recreational use.
- (7) Grade. Seventy percent of the land suitable for dry ground recreational use shall not exceed three percent grade and the remaining dry ground shall not exceed five percent grade.
- (8) Areas of unique natural beauty or having environmental or historic value. If the Planning Commission determines that a proposed parcel of dedicated land is of unique natural beauty or of environmental or historical value, the requirements regarding shape, topography or grade may be waived.
- (9) Access. Public maintenance and emergency access shall be provided by direct frontage of the dedicated land on a public street. Such frontage shall be of sufficient width to allow for maintenance and emergency vehicle access or, an easement of sufficient width to allow such access shall be provided.
- (10) Impossibility. If the amount of land to be dedicated exceeds the minimum requirement of three (3) acres, but the subdivider, builder or developer cannot reasonably acquire the amount of land required to be dedicated, the Planning Commission may permit a subdivider, builder or developer to pay a fee in lieu of land dedication.

(11) The advice of the City of Kent Administration, specifically including the City of Kent Manager, Director of Parks and Recreation Department, and the Deputy Service Director/Superintendent of Engineering.

(c) Reclamation.

- (1) If the Planning Commission approves dedication of a parcel of land and, in the opinion of the Planning Commission that parcel will be adversely affected by the operations of the developer or subdivider, builder or developer, the Planning Commission may require that the subdivider, builder or developer submit a plan, approved by the Community Development Engineer, for reclamation of such land to a state suitable for recreational use.
- (2) If such reclamation plan is acceptable, the subdivider, builder or developer shall implement and complete such plan within a reasonable time period as prescribed by the Planning Commission.
- (3) A performance bond of 100% of the estimated cost of such reclamation shall be posted by the developer or subdivider, builder or developer with the Development Engineer.
- (d) Land Dedication and Fee in Lieu. If the subdivider or developer elects to fulfill the requirements of this chapter only in part through the dedication of park land, and the Planning Commission approves such action, the minimum fee requirements applicable to such subdivision or development may be reduced by a proportionate percentage amount determined by comparing the actual amount of land dedicated as public land to the total land dedication requirement.

1191.12 PAYMENT OF FEES.

- (a) The fees set forth in Section 1191.08 1191.10 above shall be due and payable upon the issuance of a building permit by the City of Kent for the construction of any such dwelling unit or commercial space or addition thereto as set forth above; provided, however, that there shall be a refund of such fees in the event the building permit is not used for such construction. The fee shall be placed into the Parks and Recreation fund for capital improvements.
- (b) Exemptions. Payment of the park fee pursuant to the preceding sSections shall be waived if one or more of the following can be proven:
 - (1) The lot to be developed is a recorded lot within an existing subdivision or allotment which had, as part of the City of Kent's Subdivision Regulations, satisfied the park land dedication or park fee in lieu of land dedication payment requirements.
 - (2) The lot to be developed was not part of a recorded subdivision or allotment but has satisfied the City of Kent's Subdivision Regulations regarding park land dedication or park fee in lieu of land dedication payment requirements.

- (3) The project is a result of reconstruction due to fire, flood, wind, or natural disaster.
- (4) The project is a conversion of single or two-family dwelling(s) of to lodging house(s) with four or less individuals per dwelling residing therein.
- (5) The lot in question was created during a period of time when the lot was not a part of the City.
- (c) In the event that City of Kent records do not reflect sSubsections (b)(1) and (2) hereof, the burden of proof shall be on the property owner/developer. (Ord. 1999-134. Passed 12-1-99)

1191.13 DEVELOPMENT CAPITAL IMPROVEMENT FUND; MATCHING AMOUNT.

There is hereby created a Parks and Recreation Development Fund. There shall be paid into the Parks and Recreation Development Fund such funds set forth and collected as indicated in Section 1191.08 1191.10. The City of Kent shall provide a matching amount equal to the amount of fees collected as stated in Section 1191.08 1191.10 or that would have been paid if the developer had not contributed real property to the City of Kent in lieu of fees. This matching amount shall be appropriated from the General Fund, or other municipal funds other than those collected under the terms of Section 1191.08 1191.10. Expenditures made by the City of Kent from funds other than those collected under the terms of Section 1191.08 1191.10 shall be considered to be a matching amount if expended for any of the purpose listed in Section 1191.08 1191.10. The dDirector of Budget and Finance shall keep an accurate record of all matching amounts and expenditures considered being a matching amount to ensure that the proper match occurs.

1191.14 USE OF FUNDS.

All sums collected pursuant to this Chapter shall be used as allocated by the Kent City Council of the City of Kent solely for public parks, playgrounds and recreational purposes, indicated in the following list:

- (a) Purchase of land and interest in land and recreational purposes;
- (b) Development of parks and buildings for use thereon;
- (c) Acquisition and development of other varieties of open space for recreational purposes;
- (d) Acquisition and development of bicycle trails, and other types of trails for recreational use; and
- (e) Acquisition and development of recreational facilities and constructed or acquired after the passage of this Chapter.

1191.15 TREATMENT OF LAND TO BE DEDICATED; PROCEDURES FOR THE DEDICATION OF LAND AND PAYMENT OF TAXES

(a) Following approval of a preliminary plat map or development plan which designates land for dedication, the existing vegetation, except growing

- commercial crops other than growing timber, topography, features of historic value, stream courses, soil, rock strata and other natural features of such dedicated land shall not be altered or their condition adversely affected in any way without the consent of the Planning Commission.
- Dedication of land to the City of Kent shall be by general warranty deed (b) conveying to the City of Kent, and its successors and assigns, good and marketable title to the real estate described in such deed. The land shall be free and clear of all taxes, liens, assessments or encumbrances due and payable as well as all taxes, liens, assessments or encumbrances due but not yet payable. This deed shall be executed and delivered to the City of Kent for recording prior to the approval of the final plat map or development plan of any section or any portion of the subdivision or development, the boundary of which is continuous with the proposed parks, recreational facilities and public open space. Open space covenants for private parks, recreational facilities and public upon space shall be submitted to the City of Kent prior to approval of the final plan map or development plan of any section or any portion of the subdivision or development. the boundary of which is continuous with the proposed parks, recreational facilities and public open spaces. Open space covenants for private parks. recreational facilities and public open space shall be submitted to the City of Kent prior to approval of the final plat map or development plan and shall be recorded contemporaneously with the final plat map or development plan.
