Please list additional Kent properties owned:

The undersigned hereby requests the City of Kent to supply water service to the service address listed on this form under the appropriate ordinances with all amendments and subject to the rules and regulations currently in effect with all later amendments thereto and on file in the Kent City Department of Budget & Finance office.

The undersigned also agrees to pay all bills rendered by the City at the Department of Budget & Finance, or other locations designated to accept such payments, within the time specified on same and to be bound to the rules and regulations adopted, including all water, sewer, storm water and other solid waste charges according to codified ordinances. The undersigned understands that sewer charges are based upon water consumption and if significant lawn sprinkling is anticipated, the applicant should contact Utility Billing at (330) 678-8104 for information on a sprinkler (water only) meter. The cost to purchase and install this additional meter is the responsibility of the applicant.
